Price of raffle ticket

- All tickets must be sold for the same price and may not be discounted. For example, a \$1 ticket may not be discounted as 6 for \$5.
- The tickets may not contain the words "suggested donation" or any other implied request for money or contributions (other than the ticket price).

As an incentive for more sales, your organization may offer multiple pricing levels - Separate sets of tickets may be sold with a different price. In each price set, all tickets must be the same size, shape, and thickness.

Each ticket and detachable stub must have the same sequential number, beginning with number "1".
